Novaflex®

Connoisseurs Food Hose

Novaflex Connoisseurs Food and Beverage Suction and Discharge Hoses

Novaflex Connoisseur Food Hoses are designed to meet the most demanding applications of the food processing industry. These hoses are built in a variety of constructions; all specifically designed with a white chlorobutyl tube that does not impart taste or odor.

The unique ultra smooth microbe resistant tubes are built on specialized equipment for sanitary properties in order to meet microbe resistant environments.

Hoses meet FDA, USDA, and 3-A Sanitary Standards Authorized (#1376). Meets or exceeds requirements of CFIA (File: N267). Resistant to CIP solutions.

Construction:

Tube: White chlorobutyl (full vacuum)

Reinforcement: Multiple plies of polyester tire cord with helix wire (microbe resistant)

Cover: Gray, purple and red EPDM

Length: 100 ft

Temperature Range: -40°F to +240°F (Cleaning In Place to 248°F)

Not for continuous steam service
