

## Z-Vent® Concentric

### Engineered for safety and ease of installation

Z-Vent® Concentric special gas vent system designed for use with the latest Category I, II, III, IV residential and commercial gas heating equipment.

- **Patented sealing system ensures safe exhaust of combustion gases**
- **Patented design allows for ease of installation and professional results**
- **Designed for reduced clearance installations**
- **Vertical or horizontal installations**
- **Allows for a single wall penetration**

### Typical applications:

Tankless water heaters  
Boilers  
Water heaters  
Space heaters

### Unitized construction eliminates field assembly of inner and outer flues.

Precision pipe and fittings have been engineered for optimum appliance performance. Z-Vent® Concentric provides quick, positive, fastener free installation.
