

Z-Max All Fuel Insert Kit

Kit includes: Stainless Steel Liner,
Z-Max Cap and Flashing Insert Adaptor

Z-LOK™ Tee

Custom designed for secure connections in restricted work spaces. The tee body is specifically designed with a low profile mount, allowing insertion right into tight chimney spaces. The horizontal connection of the tee branch to tee body incorporates Z-LOK™ technology;

"a tool-less mount system that secures with a minimal 20° rotation into the Z-LOK™ position."

When to Z-Flex® a Chimney

Patented Airtight Triple Lock® Construction

Ideal for use with gas, oil, pellets and wood. (For use with coal, see warranty).

The patented *Triple Lock®* construction is tested and listed by U.L. Triple Lock® is accepted by industry as the strongest joint system available.

Z-Flex® is easily installed in minimal time. The special high temperature and acid resistant stainless steel is exclusive to **Z-Flex®**.

• **Lightweight** • **Easily Handled** • **Easily Flexed**

Sizes available: Diameters 2" to 24" in 5 ft increments up to 50 ft. Pricing available on request for special sizes.

All Fuel Smoothcore™ Kit

Kit includes:
Stainless Steel
Liner, Z-Max Cap
and Flashing

- Smoothcore™ eliminates turbulence, improving draft conditions.
- Resists corrosive attack by not impeding the flow of condensate down the liner; less opportunity for soot to accumulate.
- Patented Triple Lock® design won't pull apart during installation, or under extreme heat conditions.
- Proprietary 316T1 plus titanium stainless steel ensures indefinite service life and safety in containing creosote fires.
- cULs tested and listed by UL to UL1777 and ULC S635.

All Fuel Applications Oval Liner System

Flexible Stainless Steel Full Oval Liner
Used to maximize venting capacity in rectangular flues

Z-Flex® Stainless Steel Chimney Liner Kits

Kits come complete with everything required to quickly and effortlessly install a professional venting system.

Manufactured with special high temperature and acid resistant stainless steel exclusive to **Z-Flex®**.

Specially designed "deep corrugations" provide greater flexibility and ease of installation. The result is a clearly superior product offering incredible longevity.

Why choose Z-Flex?

Advanced products for maximum performance!

- Patented Triple Lock® design for strength
- Right sized packaging to lower shipping costs
- Best available materials / alloys
- 45+ years of manufacturing experience
- Custom components available
- Listed by Underwriters Laboratories
